SLIDE + SWIVEL BATH BENCH

Model 12405

Sit on the warm soft seat - release the lock and swivel legs inside of tub

Release the bench seat lock to slide to the center of the tub/shower area

Seat swivels while the back remains stable - helps to stand up

Soft EVA foam seat with anti-microbial properties

Easy to remove the seat cover for cleaning

180 degree rotation and 3 stop positions - use left or right side

Lift RED lever to release bench seat and slide to the center of the tub or shower

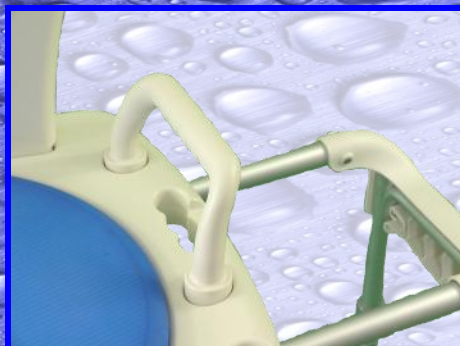

Individually height adjustable legs accommodate all tub shapes and models

Place bench optimally in the shower or tub and adjust the leg heights until comfortable and level.

Remove seat pad to clean

Mount handle either side

Convenient soap caddy

Slide auto-lock release
